We take a bit of a trip to the States in this issue of *Club International*, with 5 girls from the other side of the pond lining up in the mag. It is, after all, summertime, and you can't blame us for ditching the crappy British weather to put together a few photoshoots in L.A. Don't worry, we'll be home again soon, with a bevy of British babes lined up for the Autumn, and a possible trip to scout the newest Euro babes as well. Well, we're not just called *Club*, are we?

LET'S HEAR IT FOR HICKS!

Dear Club,
I was grateful that you announced the very sad and untimely death of Steven Hicks in an issue some months ago. I have previously written to you about my admiration for his work and that he is in my opinion the very finest glamour photographer of his generation. He had the ability to combine both breathtakingly beautiful and sensuous photography with incredibly erotic and sexy poses which were his amazing hallmark. Added to this he was able to put every model completely at ease and make them as beautiful and sensuous as possible.

There can be no more fitting tribute to his astonishing abilities than his set of Natalia in Vol. 42, No. 6. She is simply spectacularly beautiful, but so perfectly photographed. The photographs on page 31 being typical of his iconic style… beautiful, sensual, seductive but so close up and life like that you can imagine that you are really there between her legs.

I am so pleased that you are continuing to publish Hicks' work even after his death and please continue to do so. His photography is classical and timeless and we can all continue to appreciate his talents long into the future if you will continue to showcase his masterful work. Can I pay my highest tribute to a comple genius of his art… Stephen Hicks!
James, London

James – we couldn't have put it better ourselves. We will continue to showcase Hicks' timeless work for as long as possible, as Club wouldn't be Club without it!

Dear Club,
I met up with one of my old mates a couple of weeks ago. In the ten years that I hadn't seen him, a few changes had happened. However, the biggest change wasn't with Dave himself. After a whole day's catching up and drinking I found myself crashed out on his sofa at his flat. I must have fallen asleep, as someone entering the flat woke me up. In my dazed state, I remembered it was probably Dave's little sister who was staying with him whilst she tried to find a job in London. When he'd told me that, I'd been somewhat surprised, as she'd always been just the little kid who annoyed us both. Like I said, though, things had changed.

She was wearing a dress that stretched over her buxom frame, block heels, and an ankle bracelet that was slightly obscuring her tattooed ankle. I saw her do a quick double take, before saying, "Adam? I can't believe it's you!" She immediately bent over me, wrapped her arms around my shoulders and pulled me in to her. This was not the same person I remembered, and the smell of her perfume alone made my cock grow.

Obviously a little tipsy herself, she stumbled slightly, and ended up with her arse half on the sofa and her body lying across mine. She didn't move, but instead began to chat about old times, playfully pushing me in the chest to punctuate any reference to how we used to be cruel to her. I was praying that she wouldn't lean back and feel my now raging hard-on.

My prayers weren't answered, and upon noticing it she embarrassed me by saying "Do I turn you on now?" I couldn't deny it, and she continued: "I bet you never thought we'd be doing this?" She began to undo my flies and calmly exposed my aching pole. Still staring, she ran the tips of her fingers up and down my shaft as it twitched between them. She then gripped it and tossed me off, biting down on her bottom lip and giving me filthy looks.

I pushed her dress back over her legs and pulled her over to straddle me. Yanking her panties to one side she slid over my length, her pussy already nice and moist. Pinning my arms back, she began to ride me hard, making rhythmic circular motions with her hips. Turning herself around to reverse cowgirl, she began to grind her bum against the base of my cock, allowing me to take fistfuls of it and slap it in approval.

I pulled her towards me, with her back arched as I rubbed at her nipples with the

GREAT SCOT!

Dear Club,
I wouldn't say I'm a connoisseur of Scotland – I've never been and the nearest I've got is watching *Braveheart* and *Absolutely* – but I'm a connoisseur of women, and Sophia Knight is amazing. With women like that in their country, it's time they got rid of the stereotype of Rab C. Nesbitt's wife!
Boyd, Cornwall

Bloody hell, Boyd, you need to get out more. Scotland is full of gorgeous women (and discerning Club International readers – ahem!). That said, Sophia is something a bit special, isn't she? Don't worry, she'll be back in these pages soon…

palms of my hands and gripped her big, pert tits. I rolled her over and we fell to the floor with me on top, my dick still just inside her twat. Taking a handful of her long hair, I raised her up with my other hand and began to drill her hard from behind.

Seeing her bent over in her heels and begging me to, "Fuck harder," was incredible. As she began to orgasm, she was moaning, "I'm going to soak your fucking cock!" This was Dave's little sister, for god's sake! Nonetheless, that didn't stop me from drawing my dick from her sodden cunt and drenching her arse with my spunk, grinning from ear to ear. I don't think I've ever shot so much in my whole life, but she was loving it!

Unbelievably, she then came back for more at nine in the morning! I obviously didn't tell Dave, although after not seeing him for ten years, I've now been out on the beer with him four more times since. It's amazing how many times I've missed the last tube home and stayed over at his!

Shower head…

We're all familiar with the old cliché of girls using shower heads for masturbatory purposes – "It works!" says Danielle Trixie – but this lady prefers to use it for something else.

"I"m a sucker for sucking cocks in the shower," she reveals. "I love the feeling of being in my knees, water dripping down my body, and a cock deep in my mouth. I can use the shower head on his balls or ass, I can use it on myself while I'm deepthroating him. And when he cums, he can spray it all over me and then I can shower clean. It's the perfect cock-sucking solution!" ♣

Club's ROUGH GUIDE

July is the month of sport, sunshine (possibly) and taking sickies off work to enjoy it. So practice that cough, prepare a spiel for HR and get ready to savour a summer of British success (possibly). Matt Loxham's advice – not ours...

The Ashes

Various Venues across the UK
10th July to 25th August

It doesn't seem that long since England's cricketers were thrashing the Aussies 'down under' to retain The Ashes a couple of winters back. For many fans on these shores the famous clash could've ended as a concept there and then such was the almost 'too good to be true' nature of the victory, especially in the big Boxing Day Test at Melbourne. But here we are again, and this time around it's not so much a case of 'follow that', but more about compounding the Australians' misery and making it three-in-a-row (the first since 1981) for England in what is set to be a blistering Blighty-based summer of cricket, starting at Nottingham's Trent Bridge on 10th July. Weather permitting, of course...

If there wasn't enough needle already in your average Ashes build-up, the general shitslinging was ramped up even further recently when Aussie opening batsman David Warner took a swing at England youngster Joe Root in the Birmingham Walkabout bar (you couldn't make this stuff up) for wearing a funny wig. No, really. This after England had walloped Australia in their opening ICC Champions Trophy match and helped them on their way to a humbling tournament exit.

Our Antipodean friends really are in a state of disarray. To make matters worse, captain Michael Clarke is struggling with a back injury and rumours abound that he might miss most of the series. Makes your heart bleed, doesn't it? I'm in bits to be honest. There's even talk of Ricky Ponting, who lead the Aussies to defeat in their last two failed Ashes bids, returning from retirement to save the day. Personally, I think that's a great idea.

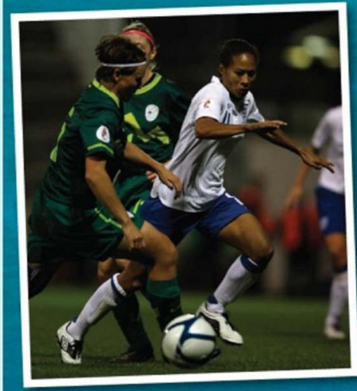
While the Baggy Greens resemble something of a 'fucking shambles, mate', as Richie Benaud might (not) put it, in the England camp all is comparatively serene. After his 'man of the series' performance with the bat when England panned the Aussies last time, Alastair Cook returns this time as captain, and it will be interesting to see if he can keep his nerve in the heat of his first Ashes battle at the helm. Will his form at the crease suffer? It might not matter if the Kangalosers can't get their shit together, especially with the likes of Jonathan Trott on hand to rack up the runs and Jimmy Anderson ready to sock it to them with the ball.

Okay, okay, this all sounds partisan, a bit too cocky, but the fact remains that England are clear bookies' favourites and look pretty darned good for another Ashes win this summer, so let's make the most of it. Cook's charges were workmanlike but comfortable in their Test Match series win over New Zealand on these shores earlier this year, and currently sit second in the World Rankings behind South Africa. By way of contrast, Australia were walloped 4-0 on their recent tour of India and are flagging at fourth best. Make hay while the sun shines, or even if it doesn't – the Aussies are on their arses.

Women's Euro 2013

Sweden
10th to 28th July

Women's football is a growing concern these days, and I don't mean amongst those unenlightened types who still feel that females shouldn't even be allowed near a pitch, let alone kick a ball on it.



After Team Great Britain defeated Brazil at Wembley at last year's Olympics in front of over 70,000 fans, word reached the nation that not only can British women play footy, they can also do it well and entertain a big audience in the process. This popularity isn't a first in the history of the modern world, of course, back in the 1920s Preston's Dick Kerr Ladies often drew large crowds,

and there's no reason why this consistent level of interest can't be reached again.

A modest but significant increase in interest has been reported by many English domestic clubs in the new Super League tournament, with attendances rising thanks to the Olympic knock-on effect. Okay, so average crowds at this level still generally only hover between the 500 and 1000 mark, but this still represents an important step forward for a competition where 50 fans was previously the norm. If the Super League is to maintain and increase interest, then much will depend on performances on the international stage, starting with England's showing at this summer's all-important Euro 2013 tournament in Sweden.

Hope Powell's side qualified unbeaten and are currently ranked seventh in the world and improving. The team who ended Team GB's Olympic campaign, Canada, have been avenged twice this year, meaning England should go into the tournament full of confidence and vigour. They boast a wealth of experience within their ranks, with Casey Stoney, Rachel Yankey and Fara Williams all having amassed over 100 international caps. Arguably the most talented player in the women's game, Kelly Smith, adds world class ability up front – fitness permitting.

On the downside, however, star defender Rachel Unitt is missing through injury, and another question mark over the England team is their tendency to falter when it really matters in the big tournaments. After encouraging starts they were thrashed by Germany (naturally) at the last European Championships and then heartbreakingly edged out on penalties by France at the World Cup in 2011 after looking poised to at least reach the semi-finals.

Significantly, Hope Powell's women face France in the group stages at Euro 2013, presenting them with the ideal opportunity to gain a morale-boosting victory over their rivals and to score an early blow against one of the favourites for the tournament outright. Spain and Russia complete a tricky but manageable qualifying pool.

The BBC are showing all England's games so why not get behind our girls? It has to be better than watching the blokes...

> "The BBC are showing all England's games, so why not get behind our girls? It has to be better than watching the blokes at the moment..."

The Open Golf

Muirfield
18th to 21st July

With the euphoria of the Olympics still looming large, there was a genuine danger that this summer was going to be a massive anti-climax on the sporting front. In reality, however, it's looking like there's going to be a whole load of first-class action to watch and enjoy with chances aplenty to cheer home success, and nowhere is this more apparent than in The Open Golf championship.

British golf is on something of a high at the moment after Justin Rose won the U.S. Open recently, becoming the first Englishman to do so for 43 years, and the first to win a major since Nick Faldo's famous US Masters triumph over Greg Norman back in 1996. Although it would be a big ask to expect Rose to gather himself and win back-to-back majors, his achievement will have done much to inspire fellow Brits such as Rory McIlroy, Luke Donald, Lee Westwood and the famously fireuppable (is that a word?) Ian Poulter. A big crowd at East Lothian's Muirfield course should be on hand to cheer with enhanced gusto.

Standing in the way of the British cavalcade will be one Tiger Woods, desperate to bag a big tournament after successfully working his way back to the top of the world rankings, and Phil Mickelson, bristling no doubt after Rose pipped him at the U.S. Open. Aussie Adam Scott and a returning to form Ernie Els might easily poop the party.

Whoever lifts the claret jug come Sunday, this will be an Open Championship with added zest, but if a Brit does walk up the 18th in with a shout of victory, expect to hear the roars across the border. ♣

Community Season Two

(Sony Pictures, DVD £15.04)

Community seems to be constantly in trouble. It was almost cancelled on several occasions, it it lost its showrunner, Dan Harmon, Chevy Chase upped and left after a public spat, the new showrunners delivered a season that divided opinion, and Harmon is set to return in the near future. Phew. But watching the second season of this sitcom, you wonder how it ever got into so much trouble and how it struggled to find an audience.

After all, this is as good as sitcoms get. Season 2 sees the characters all in place, and the writers finding fun things to do with them. We get straightforward episodes, we get bottle episodes, we get satire, homage and an episode that's in claymation. We get Annie's boobs. *Advanced Dungeons & Dragons* sees the students playing the game of the same name in an episode of inspired comic creation. But even that is topped by the two-parter that ends the season, when Greendale Community College erupts into a paintball war that draws on classic movies, tipping winks left, right and centre while keeping the comedy turned up to 11.

Extras are good too with cast commentaries on every episode, great bloopers and a look at the making of the paintball finale. A lovable cast, big laughs, boundless invention: What's not to love? ★★★★★

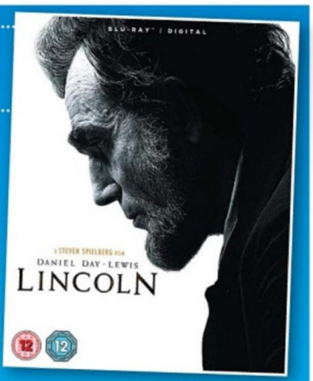
Like many Tarantino movies, this appears too long. And like many Tarantino movies, this suffers from an appearance by Quentin himself. But, those quibbles aside, this is as fun as big cinema gets. Jamie Foxx is Django, a slave who sets out to find his wife, accompanied by the reliably brilliant Christoph Waltz as a dentist-cum-bounty hunter. Leonardo DiCaprio adds another memorable turn as a plantation owner with a streak of pure evil and Tarantino ratchets up the action and the dialogue in a film that makes a mockery of its running time by being over too soon. ★★★★

Lincoln

(20th Century Fox, Blu-ray £13.00)



With Spielberg at the helm and Daniel Day-Lewis centre stage as Lincoln, this smells like Oscar bait. And so it proved, with Day-Lewis' turn rightly awarded. He's mesmeric, perhaps even better than in *There Will Be Blood*. And Spielberg is back to some form as well, eschewing his gloopy sentimentality for a more pared down depiction of one episode in Lincoln's career. Supporting performances are great too, with turns from Sally Field, James Spader and Tommy Lee Jones all catching the eye. But still, ultimately, it's a trifle dull. '*The West Wing* in a time machine' sounds great, but isn't in practice. ★★★

The Graduate

(StudioCanal, Blu-ray £11.57)

Mike Nichols' *The Graduate* is a movie that both defines its era– late 60's/early 70's – yet remains timeless in its themes. Dustin Hoffman is Benjamin Braddock, the titular graduate, entering adulthood and feeling uncomfortable in suburbia's stifling conformity. The older Mrs Robinson – a brilliant Anne Bancroft – enters his life, in film's most memorable May to December relationship outside of *Harold & Maude*. ★★★★★

Wreck-It Ralph

(Walt Disney, DVD £13, Blu-ray £12.07)

A blast both for kids and for adults who love or have loved videogames (there are references galore, from Q-Bert to Bowser), *Wreck-It Ralph* is the story of a videogame baddie who wants to be a goodie, and breaks out of his game. John C. Reilly makes an amiable lead, with great support form Sarah Silverman and Jack McBrayer. ★★★

Zero Dark Thirty

(Universal Pictures, DVD £13, Blu-ray £15)

The majority of the 1000+ reviews on Amazon of this movie are content to make political points and ignore Kathryn Bigelow's triumph. She was making this movie before the death of Bin Laden, and had to swerve to incorporate that into her narrative. It's deftly done in a tense movie that is propelled by Jessica Chastain's fine central performance. A 'one-watcher', maybe, but this is still fine film-making in a political minefield. ★★★★

While not in the first tier of Huston or Bogart masterpieces, *Sierra Madre* is still a very fine romp, filmed entirely in Mexico. Bogart was born to play the grizzled prospector Fred C. Dobbs, and he handles the switch from sanity to insanity with scenery-chewing glee. The Blu-ray looks a treat, and comes with fine extras, including the 'Warner Night at the Movies' stuff and an excellent documentary on Huston, whose father Walter also excels in the film itself.

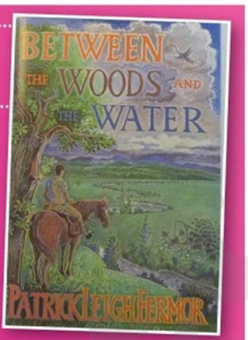
A Model Life

Muriel Rodriguez (Acorn Press, £6.99)

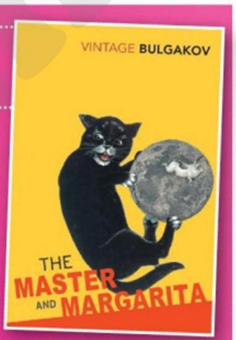
We know all about the realities of life as a model here at *Club* – it generally seems to be sitting about in Juicy Couture and Uggs wondering aloud whether to have a boob job or not. Rodriguez' book is at the other end of couture, a novel about 'Marion' that is based on the story a real life model, who walks us through the series of castings, disappointments and triumphs. It's not that revelatory, but is well enough written to keep your turning the pages.



Between The Woods & The Water

Patrick Leigh Fermor (John Murray, £9.99)

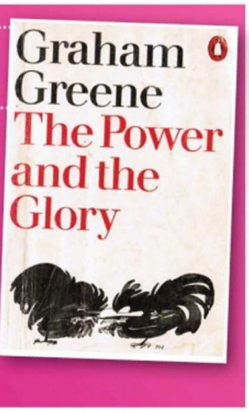
The sequel to *A Time Of Gifts* picks up where that timeless travelogue ended, with the 18-year-old Fermor still on foot across Europe, crossing the Danube. He lyrically captures a Europe in flux, on the cusp of World War Two, and his journey through Transylvania is a time capsule of a world that is no more. It's packed full of poetic prose that is a joy to read, a true treasure of a book.



The Master & Margarita

Mikhail Bulgakov (Penguin Classics, £8.99)

Written during Stalin's reign of terror in Russia and beyond, Bulgakov's satirical masterpiece was circulated underground, until its eventual publication turned it into a classic the world could appreciate. A precis doesn't do it justice, but here we have the devil alive in Moscow, a cheap magician, a gun-toting cat, Pontius Pilate in the final days of Christ and the Master and Margarita themselves. A wonderful original.



The Power and the Glory

Graham Greene (Vintage Classics £8.99)

Greene's Catholicism informed much of his writing, but never more so than here. He gives us a nameless 'Whisky Priest', on the run from anti-clerical forces in 1930's Mexico (also unnamed, but immediately apparent). Greene's triumph is to humanise both the pursuer and the pursued, to explore what they both believe in, and to show that no-one is without sin or love. ♣

Oh, for the days when portable video cameras weren't very portable, took VHS tapes, and were bigger than the already fucking big VHS players you had to watch them back on. At least you could see the buggers coming. Now they're stealthy little bastards, and while they come a lot smaller than the Canon Legria HF R48, this is still a sleek thing. It also delivers – 1080p film capture, long battery life, brilliant zoom, plenty of features. It basically says 'bet you can't do this on your iPhone'. And you know what? You can't.

Pros: Zoom, touchscreen, battery life.

Cons: That battery life equals a rather big battery.

HTC One

www.htc.com

Phone upmanship is a weird fact of life these days, and not one we had when we all had rotary dial landlines in the 80's. With new iterations of smartphones dropping from manufacturers with astonishing regularity, it's hard to keep up with what's bleeding edge and what's bleeding useless. As a rule of thumb, iPhones are generally on top of the pile, but this HTC One has the chops to knock it from its perch. The huge screen looks wonderful – better than anything Apple have produced –and it's slim, smart and has a processor that'll knock your socks off.

Pros: Lovely screen, fine Ultrapixel camera.

Cons: Pricey, and those features drain the battery.

While those of us in a lower wage bracket were straining to buy plasmas and LCD's over the last decade, the more comfortably off were buying projectors. And when you see the quality of this one, you can see why. It's a model stuffed to the gills with features, and picture quality is through the roof. 3D conversion is relatively easy with an add-on (although be prepared for the inevitable light loss that comes with most 3D) and if you're taking home a bonus this year then a) fuck you and b) you might want to spend it on this. Just make sure you've got the room and the space for it

Pros: Picture quality is sky-high, lots o f features.

Cons: While cheaper than some models, they're still hardly giving it away. ♣

WHAT'S SHE LIKE? Cute and shy, but getting ruder by the day.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
To be considered next to all the lovely, pretty girls that are in *Club*.

YOU HAVE A THING FOR GIRLS?
For girls and men. The girl thing is recent – I just had my first lesbian experience, and I don't think it will be my last. But I don't think that can replace men in first place!

WE'RE GLAD TO HEAR IT – MAYBE IT'S TIME TO COMBINE THE TWO...
A threesome? It's on my list, but it has got to be with the right people. I don't want any jealousy or ruined friendships over it. I just want it to be about pure sex.

WE LIKE YOUR THINKING. ANYTHING ELSE YOU'D LIKE TO ADD?
I'm just so happy to be appearing in *Club International* and I hope to get some nice, dirty letters from your readers! ♣

CHANGING ROOM!

My new girlfriend, Rachel, is the naughtiest girl I have ever known. She loves watching and reading porn, loves sexy underwear and there is nothing she won't do in the bedroom – or elsewhere. I'd never really had sex outside the bedroom before I met Rachel – maybe on the couch in the living room or on the dining room table if I was feeling adventurous, but I'd never done anything in public. Rachel loves to be daring in public and has dragged me into her little games, and when a beautiful naughty girl wants to have sex with you, it's hard to resist.

The last time it happened, we were shopping in a busy store on a Saturday afternoon. Rachel had picked out a very sexy dress which she really liked and which I wanted to see her in. We headed for the changing rooms where Rachel took one of the markers to say how many items she was trying on from the check-in girl. It was all very efficient and I was soon left standing around looking uncomfortable, although I had got used to waiting around for Rachel as she shopped and knew that the rewards were more than worth the inconvenience. It was particularly manic, so I didn't hear Rachel call the first time. I did the second time, and rolled my eyes at the girl checking in the clothes.

Rachel pulled back the curtain and my jaw dropped. "What do you think of this one?" she asked loudly.

"It's amazing," I said. She was standing completely naked with a very naughty look in her eye. I looked back at the girl checking in clothes but she was busy with something else. Rachel reached out and pulled me into the cubicle and kissed me hard. I pulled the curtain shut behind us as she rammed her tongue into my mouth.

"Get your clothes off," she whispered, and she was already tearing at my belt and jeans.

"I can't," I protested. "This is a ladies changing room."

"You fucking can," she said. "And you're not in here to try on clothes, you're in here to fuck me." I saw the determined and sex-hungry look in her eye and knew that I had to do it. "Socks too," she demanded, quietly. When Rachel sets her mind to something, she sticks to it. She wanted us both completely naked for this. We kissed again and our naked bodies pressed together. My hands ran down her body until they reached her sexy little bottom. I held her cheeks in both hands and pulled them up and apart, admiring the view in the mirror. Her hands did the same to me and then reached round and squeezed my cock. I could have easily exploded right there and then, spurting my spunk all over her belly. Instead I reached round and slipped my fingers between her legs.

We were both trying to be quiet but Rachel gasped loudly as I ran my fingers along her slit and pushed them up inside her. "Shhhh!" I warned as little whimpers escaped her lips with my every movement.

"That's easy for you to say." Rachel smirked naughtily. "Let's see if you can keep quiet if I stick my finger inside you." She sat on the wooden slats, which brought her face level with my groin and pulled my cock down towards her mouth. One hand wrapped around my cock while she licked the tip of the other middle finger. She began kissing the tip of my cock and her lips felt amazing as she sucked and licked the most sensitive part of my glans. As she did this, her other hand dropped and started stroking my balls, gently pulling on them as they tightened within their protective sack. I moaned a little and pressed my hands against the thin walls of the changing room for support.

Her fingers ran under my ballsack until the tip of her middle finger was touching my anus. She looked up at me and smiled the dirtiest, naughtiest smile I've ever seen and she whispered, "Shhhh, remember?" and with that she pressed her finger into my bum. I almost came straight away – the penetration made everything tighten and it felt like I was about to orgasm but for some reason it didn't start. Rachel looked up innocently, gave me a sexy wink and then pushed in even deeper. I grunted loudly. I couldn't help it – the feeling was electric and I couldn't control the reaction, couldn't contain the sound.

Rachel smiled a satisfied smile, as though she had proved her point. She looked up from underneath my cock as she kissed and licked along its length. It was hard to keep quiet, hard to remember that a simple curtain was all that was separating us from a busy set of changing rooms in a department store. My girlfriend had her finger in my arse and was giving me her best blowjob. She was trying to make me lose control, trying to force the sound from my body.

The next thing she did almost made me lose all of what little restraint I had left – she slid off the seat, pressed her pussy against my shin and dragged it all the way down my leg. She used my cock to muffle the moan of pleasure, but I knew it was there – I felt it in her throat. Rachel clung to my leg and humped it, her hips dancing, gyrating as she ground her pussy against my shin. She was doing things that I had never imagined, trying to shock me – humping me like a bitch in heat as she sank her mouth deeply onto my cock and fingered my arse.

My resolve was buckling almost as

“It was the most powerful orgasm ever and my spunk flew in thick white ribbons”

fast as my legs. “Oh fuck!” I gasped, as I felt the slick wetness of my girlfriend’s pussy on my leg as her tongue ran little circles around the most sensitive part of my cock. I was close to orgasm and I knew that it was going to be an enormous release. Rachel’s whole body was pressing against me, her soft breasts slapping against my thigh as she brought herself off. My body tensed, every muscle pulling taut but at that moment, Rachel pulled back, fully exposing my saliva-covered cock.

“I’m going to make you cum all over my face,” she said, as she wanked my cock while aiming the tip at her pretty smile. The finger in my bottom curled forwards and something intense and wonderful spread from where she was pressing – only this time it didn’t stop. It was the most powerful orgasm I had ever experienced and my spunk flew in thick white ribbons.

“Is everything OK in there?” a small voice asked from outside the curtain. I was still spurting onto my girlfriend’s upturned face as the spunky smile turned into a grin.

“Yes thanks, we’ll be out in a second.” I looked across and saw a face peering in through the gap in the curtains. I recognised her as the shop girl. She wasn’t looking at me, well not my face anyway. “You really need to learn to keep quiet,” Rachel scolded as she squeezed the last of the cum out of my cock. “Everyone in the changing rooms must have heard you.”

Rachel cleaned herself up and we got dressed. I prepared myself for the walk of shame… or possibly a walk to the nearest security office. However, Rachel had other ideas – she was all smiles and bouncy happiness. Rather than try and slink out, I watched in amazement as she walked out with her head held high. She stopped at the check in desk and addressed the girl who had now seen us both naked. “He really likes it, I think I’ll take two.”

“Yes madam,” she said, looking over at me, as though doubting what she knew she had seen in the cubicle, before ringing through for someone to collect another dress. When Rachel wants something, she tends to get it – she’s that kind of girl.

RAUNCHY REUNITING!

Facebook has been great fun recently, and as I live near London I have been able to meet up with a lot of my old school friends who are working there, with varying degrees of success I may add! I was pretty nervous

before my latest arrangement, however, as it was an old boyfriend that I had been with in my fifth year and most of the sixth form. Unbelievably, we had never actually had full sex as I was quite prim and proper then, and I'm sure his frustration partly led to our break-up.

I made a real effort with my appearance, and when I saw him in the bar at Kings Cross station, it was like being transported back in time. He had hardly changed in the seven years I hadn't seen him, and was certainly better dressed. As we greeted each other, it somehow seemed natural to kiss each other on the lips, and the familiarity of his smell sent a shiver of excitement through me. As we talked it was clear that there was unresolved sexual tension, and the conversation became increasingly more naughty. "So, I presume you're not still a virgin?" he mischievously asked. "What do you think?" I coyly replied as we sat as close to each other as possible.

> **"I could hear him moan his appreciation as I licked his shaft and sucked his aching balls"**

The next hour passed in a flash, as our flirting led to touching, kissing and arriving at the lobby of an over-priced hotel, getting a room. We were both a little nervous, and my adrenaline was pumping as we lay on the bed snogging. He undid my blouse and clawed my bra-strap to the side, before clamping his mouth around my erect nipple. I instinctively reached into his trousers and grasped his hard-on, which felt so familiar I gasped with a mixture of excitement and contentment. As he chewed at my nipples, I was wanking his prick awkwardly within his trousers; something I had done plenty of at the age of 16!

He helped me free his penis, and I slid down the bed, gaining eye-contact with him as I moved. I could sense his surprise as he had never received a blowjob from me. Taking him in my mouth was wonderful, as I could hear him moan his appreciation whilst I licked his shaft and sucked at his aching balls. He was running his fingers gently through my hair as I took almost the full length of his meat into my face.

My own pussy was aching, and it wasn't long before I had reversed my head's position on his cock whilst I ground my cunt against his lashing tongue. I wrapped my fist around his dick and tossed it off into my mouth as he was chewing at my clit, which was sending me wild! I could feel his splayed fingers parting me as he French-kissed my pussy. As his fingers slipped inside me, I gasped, "No… I need your fucking cock, now!" He had never heard me speak like that, and all he could say was, "I really want to," in a grateful tone. I pushed him flat on his back, and slid further down towards his ankles.

Bending over for better access, I mounted him reverse cowgirl style and began to grind back against him, peering back over my shoulder as I did. He responded by reaching around for my pelvis and pulling my pussy deeper over his shaft. He desperately groped for my bouncing tits, and stroked my back and slapped my arse whilst I rhythmically worked my sopping cunt over him. Spreading my legs wider, I leaned forward, grabbing his shins as I banged him, feeling his pubes against my arse. "This is what you fucking want!" I was maniacally shouting as I let my juice spray over his shaft, climaxing heavily. With my breathing shortening I could feel his spunk fill my pussy as he emptied his balls. It was amazing to feel us both cumming together and it seemed to last for minutes! Needless to say, the rest of the afternoon was spent with his cock in my twat, my mouth and eventually my arse. Well, I wasn't prim and proper anymore, and we certainly had to make up for lost time, didn't we?

BREAST FOOT FORWARD!

I have always felt bi-sexual, but have mostly had men throughout my life, and only a few flings with women. I'm not really interested in the lesbian scene, so your magazine is one way I can indulge my love for seeing beautiful women. As soon as I get it, I always flick

through for any girl-on-girl shoots. Some of your models are incredible and I have recently become increasingly turned on by the sight of their manicured toes and cute feet. Then when another girl's mouth nears this area, my fingers instinctively work faster at my clit. I'm sure your male readers love to see this as well, so I just had to share this with you.

> **"I then took her big toe into my mouth, licking and sucking it like it was a hard dick"**

My most recent experiences with men had been a series of 10 minute fucks, so I needed some intimate female loving. I knew that Angela on my floor at work was well known as a bit of a swinger and spent the best part of a week chatting her up and making suggestive comments. Eventually on Friday she was very brazen, and openly asked me, "Do you want to be with me tonight?"

Within minutes we were out of there, Angela on the phone to her husband casually announcing that she wouldn't be home. As soon as we were inside the door of my place, Angela had taken off her jacket and was unbuttoning her blouse. She then sat on the edge of my bed, with her luscious breasts filling her bra, exposed through her open blouse. My eyes were drawn down to her feet, the toenails painted pink, at the front of her strappy-heeled sandals.

I'm not sure what came over me, but I got on my knees, and began to kiss at her small feet. I then worked my tongue up her leg, but found myself wanting to return to them. She pulled my head up and parted her legs, showing me where she wanted my tongue, and pulling her panties to one side I extended my tongue and flicked at her clit to tease her. She wanted me straightaway and took the back of my head, pushing my face into her snatch. She had a sweet tasting pussy, and I stayed there ages, probing and fucking her hole with my tongue and alternately thumbing and licking her clit.

"Have you got something to fuck me with?" she abruptly asked, and after a couple of minutes I returned from my en-suite, naked, wearing a strap-on. I raised her right leg, as she laid back, her arse still on the edge of the bed. I undid her sandal and dragged my tongue against the sole of her foot, and then squeezed it between her two larger toes. I then took her big toe into my mouth, licking and sucking it like it was a dick. The rubbery prick, strapped around me, just rested against her entrance and she was panting in anticipation. I began taking every toe against my tongue, one after another, until I had both feet in my hands, totally lost in the moment as she writhed in ecstasy on the bed.

She had waited long enough, and I drove the length inside her, still with one leg up in the air, that I was cradling and licking at the ankle. From this position I could really fuck her hard, whilst she was lost in her own world, moaning in a low tone, telling me how 'good' it was and strumming her own clit. "I'm cumming," she virtually screamed at me and taking her right foot in both hands I took nearly all of it in my mouth, my own pussy now soaking as the shaft of the strap-on became slick with her juices. I came myself, and my pussy hadn't even been touched yet!

"You've got a bit of a foot fetish, right?" Angela asked after recovering, to which I answered with a shrug and a smile. "Well, let's see," she said, before pushing me back on the bed. However, with my big toe in her mouth and her three fingers in my cunt, I could barely last two minutes before moaning in ecstasy. From now on anyone who gets with me, whether it's a man or woman, is shown exactly which part of the body to go to first!

THE GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

January Jones is perhaps best known to UK audiences as the beautiful but bitchy Betty in the wonderful *Mad Men*, but she's got some cinematic chops as well. She was lovely (and slipped a little nip) in *The Three Burials of Melquiades Estrada*, and made the otherwise third class *X-Men: First Class* into a second class movie, if you see what we mean. But now, in *Sweetwater*, she has finally gone topless. Okay, it's not the sexiest of scenes, but any glimpse of JJ's hey-heys is fine by us. As for *Sweetwater*, she's got us shooting plenty of ours… ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

COCKSMITH!

Life as a 24hr Emergency locksmith is often boring and mainly consists of getting drunks back into their homes, or securing properties that have been broken into. But occasionally something different comes along to liven up the day. One mid-week morning a few weeks back, I got a call from a woman who was having problems with a padlock. It was a little outside of my area, but once she'd agreed to my call out fee, I drove to a leafy address in North London.

The flat was on the top floor of a large Victorian house, pressing the intercom on the front door I was buzzed into the property. The whole place reeked of money and after climbing the stairs with its deep pile carpet, I rang the bell of the flat and the door was opened slightly by the women who had called me earlier.

To be honest, I was rather taken aback as her voice had made me think she was older than she in fact was. She was a tall very attractive blonde in her late twenties with a slight accent, which I later found out was German. Once she was sure who I was, she ushered me inside and quickly shut the door behind me.

She was quite tall even though she was in her bare feet and was wearing a large fluffy white dressing gown. She had a very pretty face with short blond hair and seemed quite agitated. I asked her where the padlock was and she responded by opening the gown. To say I was shocked would have been an understatement; under the gown she was wearing a tight grey crop-top with no bra. But even though her nipples were pierced and visible through the material, my attention was riveted not on them, but on the only other thing she was wearing… a chastity belt!

> **"The head of my cock eased past her sphincter and, gradually, inch by inch, deep inside her arse"**

She explained that she and her boyfriend enjoyed role-play and BDSM and that morning after one session, he had locked her in the belt and gone off on a business trip for a few days. Apparently he had accused her of flirting with his friends and he couldn't trust her while he was away.

She claimed to be perfectly innocent, but that twinkle in her eyes and the saucy smile she flashed me made me think he was probably correct. She'd managed to untie herself, as the knots had been purposely loose, but couldn't unlock the belt, hence the call to me. I got her to sit on the edge of her bed, while I knelt between her thighs and examined the lock on the front. It was a cheap Far Eastern one, made more for show than any security, but without a key still quite effective.

I took a lock pick to open it and to steady it slipped the other hand under the edge of the belt, but I jumped when my knuckles touched bare pussy underneath. She giggled, but didn't pull away. So I went back to work and soon there was a click and the lock opened.

She stood up and threw off the chastity belt and I was faced with a waxed and aroused pussy, inches in front of my face. I looked up to see her smiling at me, with that wicked grin and thought I'd never have a chance like his again. So, I grabbed her firm buttocks in my hands and buried my face in her wet folds. She said something I didn't understand and put her hands in my hair forcing my mouth hard against her labia. Overbalancing she fell back onto the bed spreading her thighs.

I looked up between her spread legs, over her flat and lightly tanned stomach to her pert breasts, she reached down and pulled the crop-top over her head and squeezed her nipples. Then slid a hand down her body and parted her labia, asking me if I had a tool for this hole too.

I quickly pulled off my overalls and my cock sprang free. I don't think I'd ever felt so aroused, or even that erect before. She pulled her innocent face again and said she didn't think that big key would fit in her little

lock, but as I climbed between her thighs with my cock in hand, she whispered in my ear, I like it rough! So, never one to disappoint a client, I thrust straight inside her. She was certainly tight, but very wet and after a few hard thrusts I was balls deep inside her. The harder I pushed the more she moaned and when I grabbed hold of her hair and bit one of her pierced nipples while pulling the other nipple ring, she arched her back and came. Her pussy muscles spasming around my shaft. It was all I could do to stop myself from ejaculating, but I wanted to make it last.

Before she had time to recover I flipped her over, pulling her up on her knees I entered her from behind. Seeing her beautiful body face down on the bed while I ploughed into her, I decided to take things further and push a tentative finger into her anus. She lifted her face off the bed and said something I didn't understand, but didn't move so I replaced it with my thumb. Twisting it hard into her tight hole and making her groan as I hammered away at her dripping pussy.

She was panting quite hard now and seemed lost in one long orgasm. But as I pulled my thumb out and prepared to replace it with my cock, she suddenly reached her hands back. At first I thought she was going to stop me, but then she grabbed her buttocks and pulled her cheeks apart.

I took the invitation and pushed hard against her little ring. At first nothing happened, but then the head of my cock eased past her sphincter and gradually, inch by inch, deep inside her arse. She was so tight but had definitely done this before and soon I was pounding away with all my force, driving the air from her lungs as I buggered her.

She pushed herself up on her elbows and rocked back and forth meeting my thrusts. I could tell I wasn't going to last much longer. As I felt myself about to ejaculate, I pulled my cock free and roughly pushed her on her back. Straddling her body I shot spunk all over her face and breasts, as she rubbed herself to orgasm.

After we'd got our breath back and cleaned up, she offered to pay my bill, but I declined and was packing up my tools and getting ready to go when she asked how to lock the chastity belt again so that her boyfriend wouldn't know she'd been free. I explained she'd need a key.

She smiled her naughty smile and asked if she could book me again to come back at the end of the week with my special tool. But that, as they say, is another story….

Mark, Tufnell Park

EX-SEX!

I'm sure all your readers will know what I mean when I say that sometimes the best sex with your girlfriend is when she's your ex-girlfriend! Even better, when your current girlfriend can't stand the sight of your ex, so it adds to the sordid excitement. This is what happened to me recently, when I finally met up again with Georgina behind Kelly's back.

We flirted with each other straight away, and after about an hour of small talk and a couple of drinks, she invited me back to our old flat. I called Kelly on the way, and told her that I was out with a couple of mates. Georgina's new boyfriend, Anthony, was also out, and she snuggled up to me as we watched TV. I started stroking her leg until my hand was

nearly at her crotch. There was no resistance, so I carried on up to her tummy, pushing my palm under her jumper. "What would Kelly think?" she cheekily asked, knowing that I would find it hard to stop, but I just ignored her and cupped her right breast. My mouth was soon around her bare tit, and as she undid my flies she asked, "Does she take your spunk down like I used to?" She knew I wasn't going to answer, but she carried on asking me tantalising things about my new sex life, knowing that reminding me of my girlfriend made me feel more naughty.

"I hope she's been taking care of this?" Georgina said as she took my dick from my pants. "Let me show you how I do it now, with Anthony," she provocatively added. Her mouth was instantly around my penis, deep-throating me like she had never done before. Whilst she sucked me off, she was undressing herself. She told me that she wanted me to fuck her doggy style. Within seconds, I had my dick poised at her fleshy lips, poking my moist fingers in first to open her up slightly. Her pussy was tighter than Kelly's and I remembered how I had to always push hard to force my fat end inside her, leaving her gasping with pleasure.

> "I nudged my bell-end against her puckered hole and spread her arse cheeks wide for a fucking"

Georgina was now revelling in the fact that I couldn't say no to her and started saying, "You know, I really think that Kelly would like to see this, don't you? Have you ever done it to her from behind, or is she too sedate for that?" Each time she saucily taunted me, I drove my dick harder into her and spanked her bum. Testing me further each time for a response, she inquired, "Does she like it anal, like me?" I finally responded, answering, "You never let me fuck your arse, and neither does Kelly." Taking my dick in her hand, she pulled me from inside her and angled it upwards towards her anus. "Come on, you know I'll let you, you should have been more persistent."

Positioning myself at a steeper angle above her, I nudged my bell-end against her puckered hole and spread her arse cheeks. She reached into her sideboard ahead of her and pulled out some K-Y jelly, passing it to me before I could enter her. Lubricating her thoroughly, I pushed my dick into her, this time into a tighter hole than before. As I did this, my phone went to the side of me, and glancing at the display Isaw it was Kelly.

"Are you going to answer that?" Georgina inquired breathlessly, but I ignored it and reached round for her tits as I pushed my crotch against her bum cheeks, my length deep inside her. As I thrust steadily, the phone kept ringing as Kelly repeatedly called, until I felt my load race through my dick. I drew it out as I sprayed, sending some on her bum and running the rest into her crack. Georgina grabbed the phone and pretended that she was about to answer, as I kept pulsing a ravine of cum against her hole. I desperately tried to grab it away from her, but she answered it, leaving it connected long enough for me to hear Kelly say, "Hello, hello Mike?" before quickly turning it off. I had been biting hard on my lip so as not to make a noise as I dribbled out my final bit of spunk, but Georgina simply looked at me naughtily and said, "I think you've got some explaining to do." She was right… but it was worth it!

Curves for your balls...

If there's one thing that Angelica hates, it's skinniness.

"I don't know why people want to starve themselves so they look the opposite of sexy," she fumes. "I'm a curvy girl and men seem to appreciate that – they like a bit of boob, a bit of bum. They don't seem to be into bone as much!"

And your taste in men?

"I like a bit of heft as well. I want a strong man, but I'm not into that abs and six-pack gym bullshit. That's just vanity. I want a man who lives like a man. And, hopefully, fucks like a man as well!" ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

TRAIL OF TEARS!

This guy clearly wasn't looking after his piggy bank properly as he left a trail of coins leading right to his own front door. Michael Sherman, 25, of Vero Beach, Florida, was arrested by the Indian River County Sheriff's Office after investigators noticed coins similar to those reported stolen, leading them straight to Sherman's home. A thorough search of the property, also led to the discovery of firearms and a computer belonging to the victim. Subsequently Sherman was charged with armed burglary due to the firearms. Divvy.

Some coins, today. Before we ate them...

HAPPY STEAL!

A hard morning's thieving will leave you feeling peckish, so why not nip in to McDonald's for what might not turn out to be such a Happy Meal! After reporting her SUV stolen, Virginia Maiden watched her stolen vehicle pull up to the McDonalds drive-thru window where she was working.

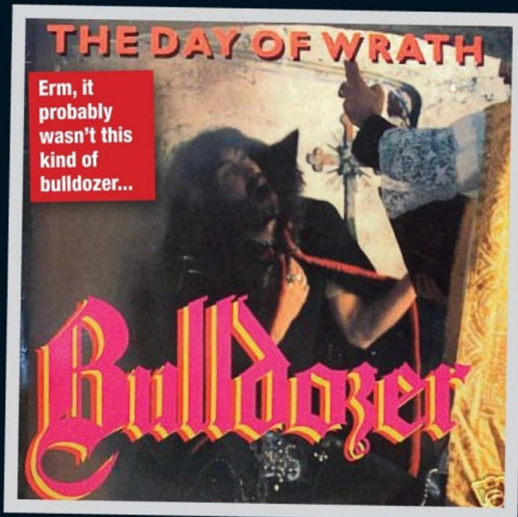
After Maiden called the police, the driver Katherine York, 22, was charged with possession of a stolen vehicle, which she had obtained from Maiden's apartment complex car park. Also found were clothes still supporting security tags from JC Penny and Sears. Should have gone to Burger King…

Robble, robble robble!

BULLY FOR YOU!

Now, before you start an argument with someone it's always best to check they haven't got a bulldozer lurking in their garden. Barry Swegle destroyed two homes using a bulldozer and left thousands of people in Port Angeles without power, after becoming agitated with his neighbours about an on-going dispute.

19-year-old Jesse, whose grandmother lived in one of the wrecked properties, reported that Swegle is known in the neighbourhood for digging seemingly random holes late at night. No injuries were reported and Swegle is being held in custody at Clallam County Jail, the dozy bastard.



Erm, it probably wasn't this kind of bulldozer...

DU-HIGH!

When you mistake the road for a lawn, that's when you need to get off the mower.

Scott McKenzie was stopped late at night riding his Troy-Bilt mower down Main St. After a brief conversation, police noticed impairment on McKenzie's part. He was charged with operating a motor vehicle whilst under the influence of drugs, possession of marijuana and failure to display a slow moving vehicle emblem.

Now that was the easy part, being the butt of everyone's jokes for the following weeks is just embarrassing. "Everybody at the store is laughing at me", McKenzie said. As are we! ♣
